About Us

Glass Design has been serving Indian decorative glass needs since 2004.

We are a family owned and operated business and we love what we do! The best part about our job is seeing the excitement on our client faces when they see their beautiful decorative glass installed.

Please give us a call or come by one of our design studios and together we can find the perfect glass for you and your home!

IMPORTED/INDIAN SLIM PROFILE

MOVING + MOVING

Solution for swing sliding doors where space is at prime.

MOVING + FIX

Single/Double doors with customized opening sizes.

TELESCOPING SLIDING SYSTEM

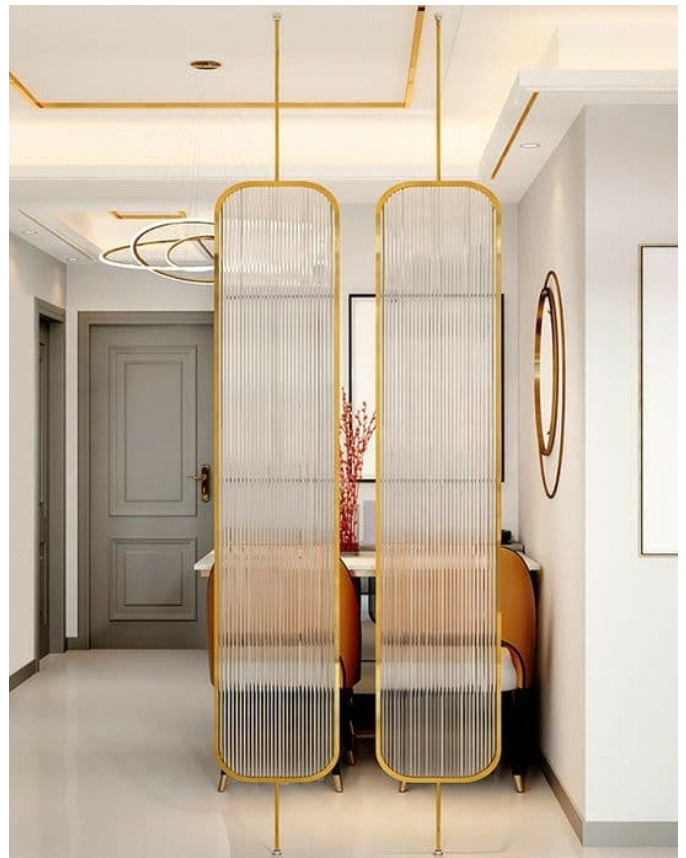

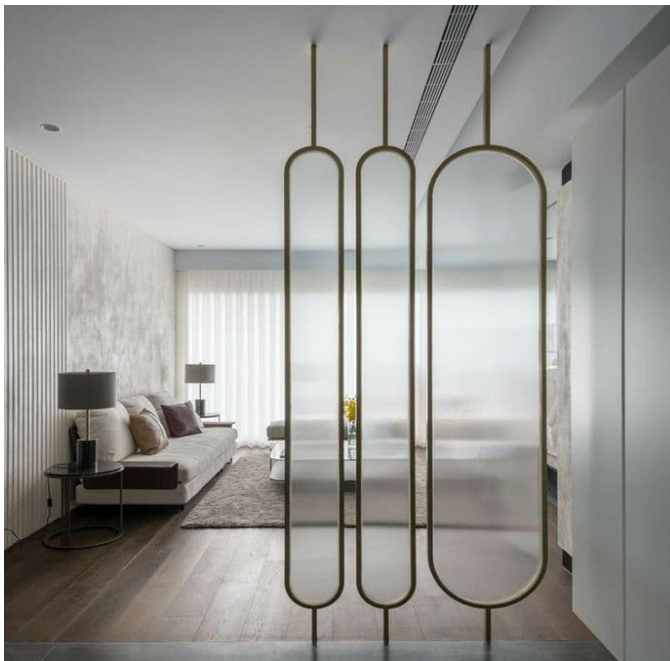

Achieve large opening with big sliding system

SYNCHRO SLIDING SYSTEM

Any of the door panels can be pushed to open ("push & go" function), and the two leaves will open simultaneously.

DECORATIVE PARTITION

OVAL/RECTANGULAR SEA 304

- STAINLESS STEEL METAL SCREEN
- PARTITION WITH PVD DECORATIVE COATING & FABRIC GLASS.

SHOWER ENCLOSURE

FRAMED SHOWER ENCLOSURE

In a framed shower enclosure, the glass is inserted in aluminium profile with anodized sections & different types of glass that are used for the shower enclosure include toughened glass, frosted glass, etching glass, textured glass or colored laminated glass in different thickness.

FRAMELESS SHOWER ENCLOSURE

A frame less glass shower enclosure is most popular for both compact as well as spacious bathrooms as it offers unobstructed views and long sight lines in the bathroom, These are fabricated and customized as per the exact measurements of the bathroom.

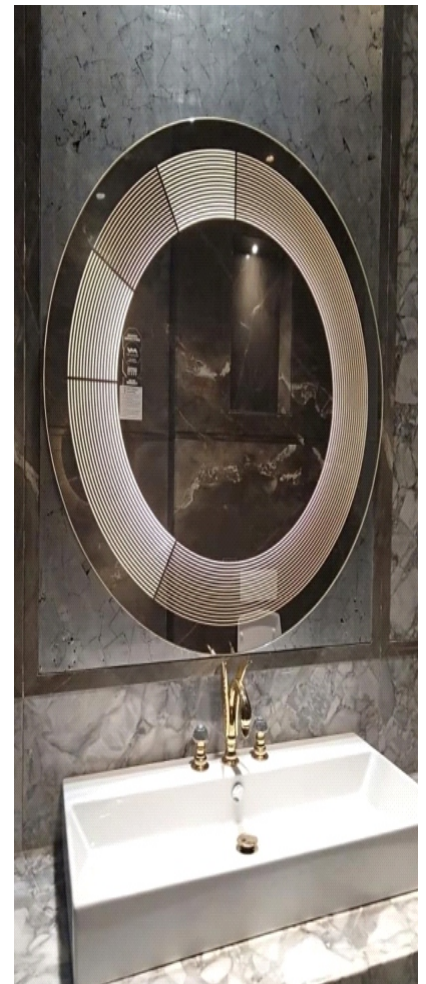

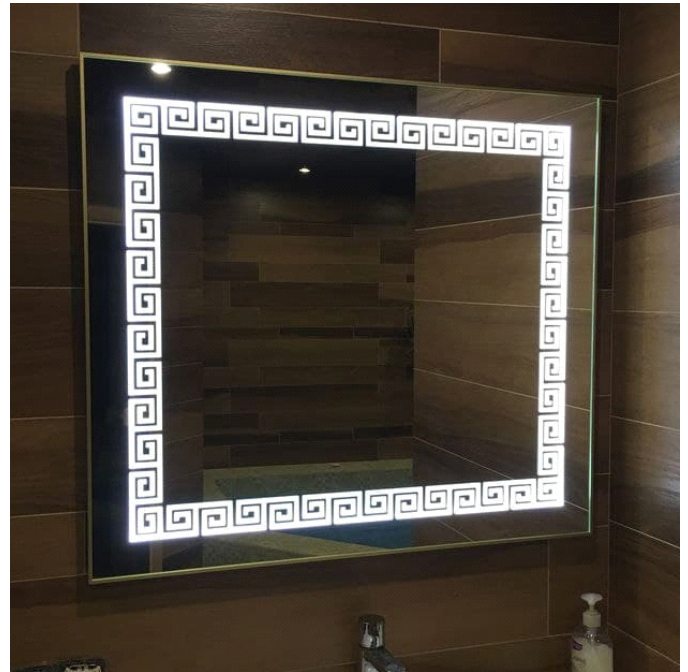

VENETIAN MIRRORS

- Venetian mirrors were considered to be masterpieces of art, the beauty of venetian mirrors surpassed the expectations of what a mirror should be.
- You can also send us a picture of a mirror you like and we'll make a mirror as per your image.
- All products are made to order as per your required size and design.

BACKLIT MIRRORS

Backlit mirrors harmonize any decor and give you a sparkling, A backlit mirror on the other hand will provide full lighting and will highlight your entire face making it easier to apply makeup.

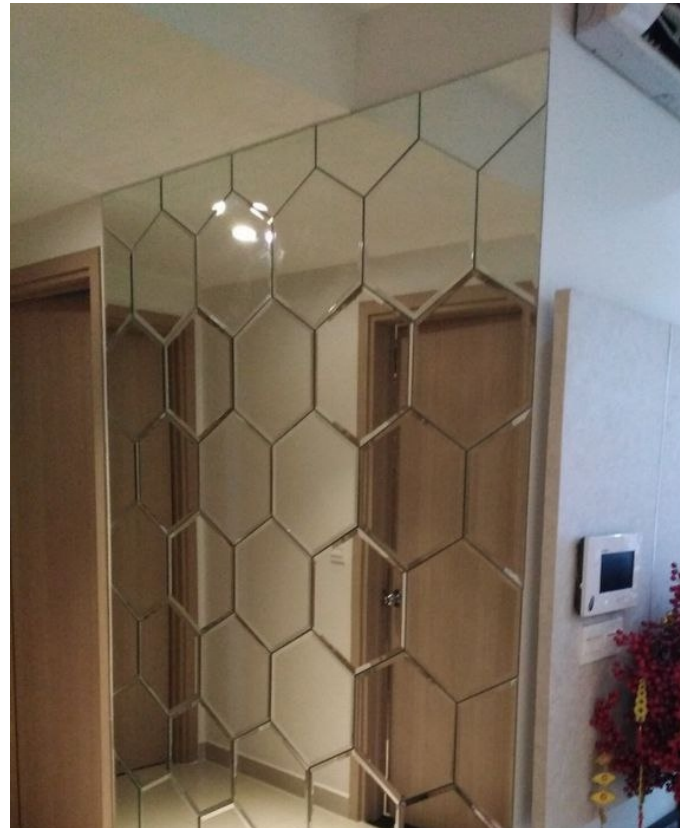

It is also high in quality and gives you an unblemished, pure, and extensive glow.

This lets you complete your task easily knowing the light is perfect on each part of your body.

DECORATIVE MIRRORS

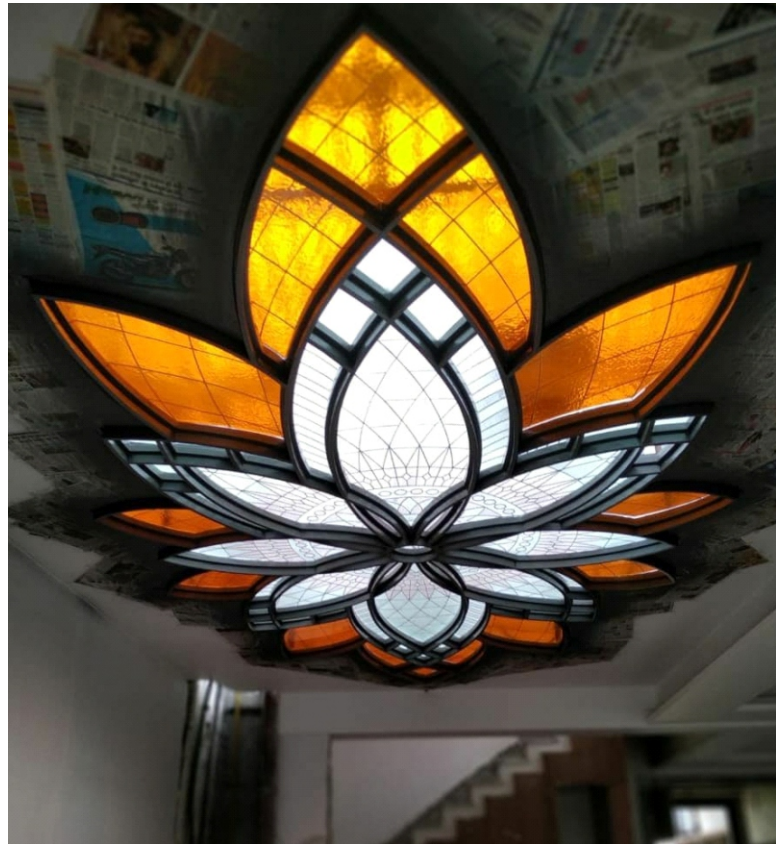

WALL PANELING

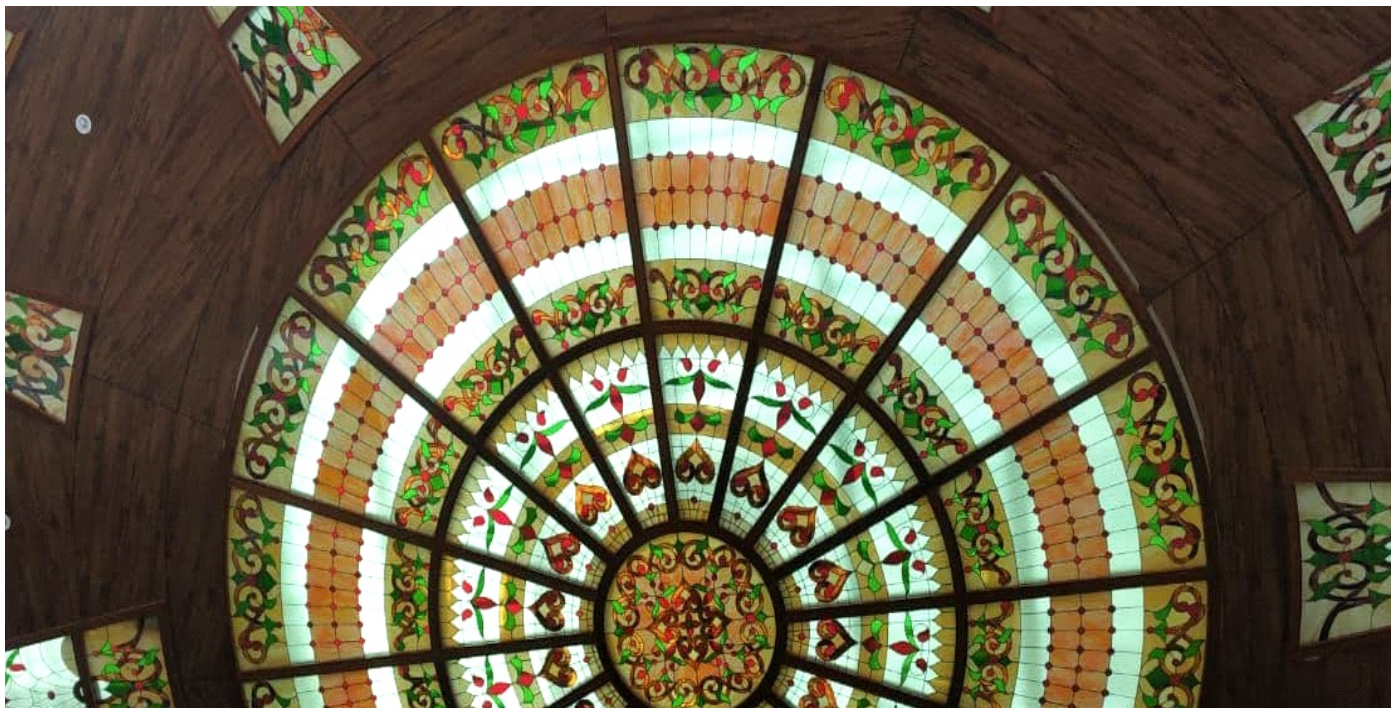

Decorative mirrors wall paneling are a beautiful element that can be added to any home. That will not only bring trendy glamour to your walls but also add a sense of spaciousness. Mirror wall panels come in various designs.

SKYLIGHT GLASS

A skylight is a light-permitting structure or window, usually made of transparent or colored glass, that forms all or part of the roof space of a building for day lighting and ventilation purposes.

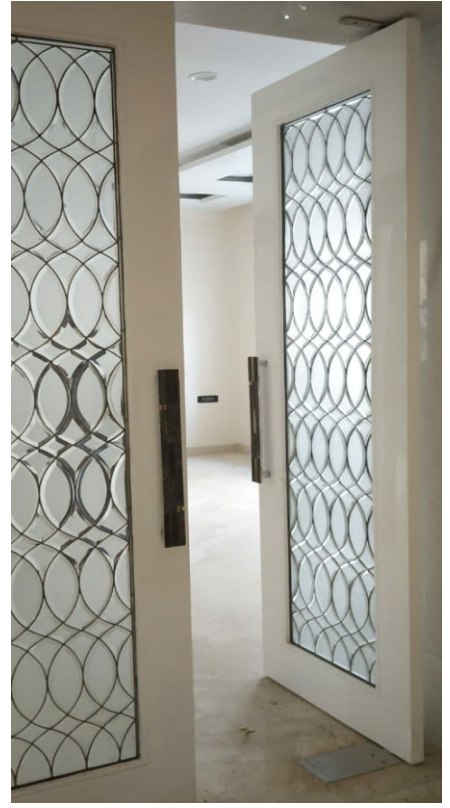

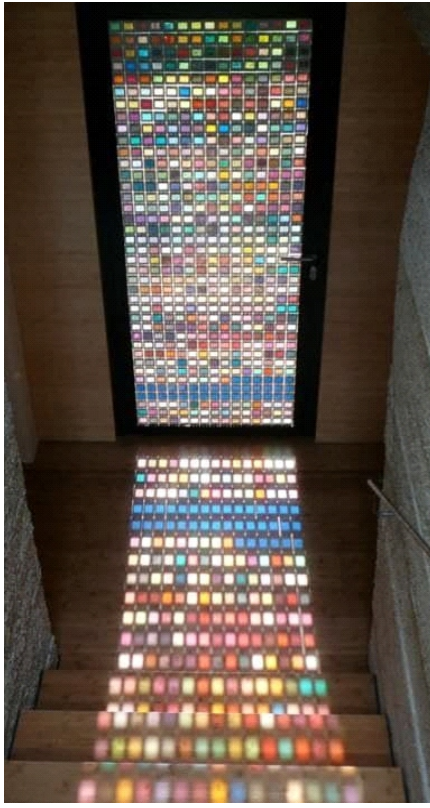

We completed this work with best of design and craftsmanship. Design development, fabrication, installation of unique & elegant stained glass dome in New Delhi.

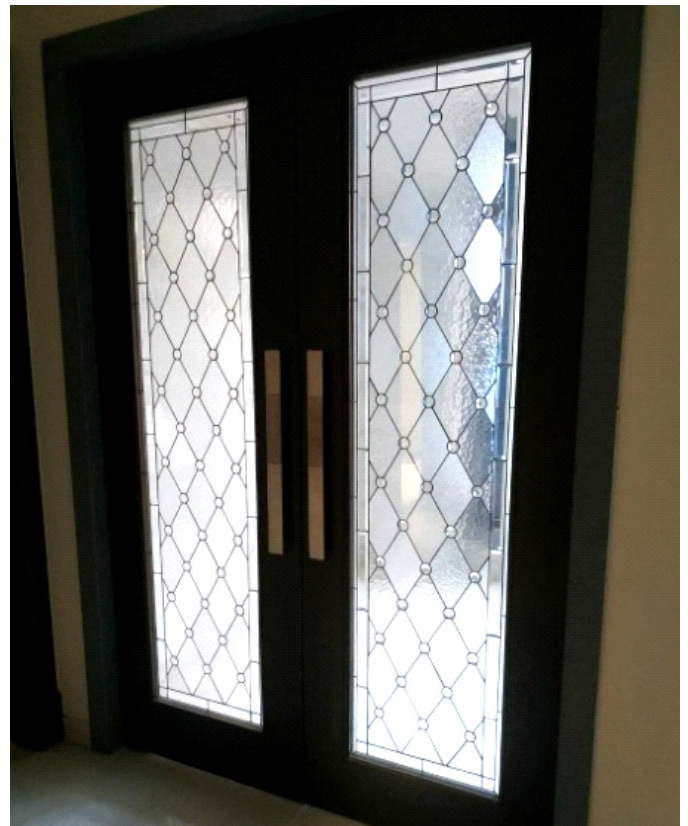

We completed this work with best of design and craftsmanship. Design development, fabrication, installation of unique & elegant stained glass dome and leaded glass skylights in Bikaner.

STAIN GLASS

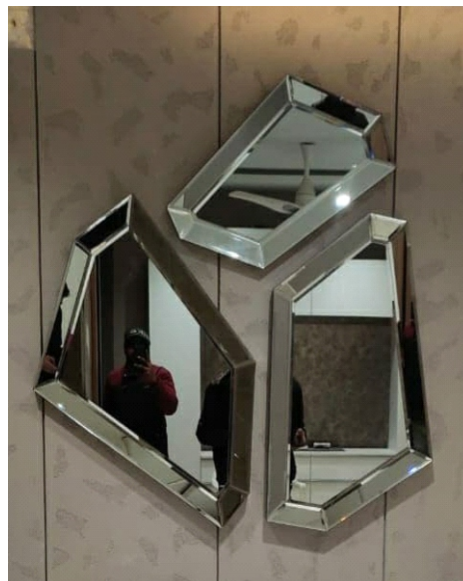

Stained glass, In the arts, the colored glass used for making decorative windows and other objects through which light passes. The stained glass refers to natural colored glass as a material or to works created from it.

DECORATIVE GLASS

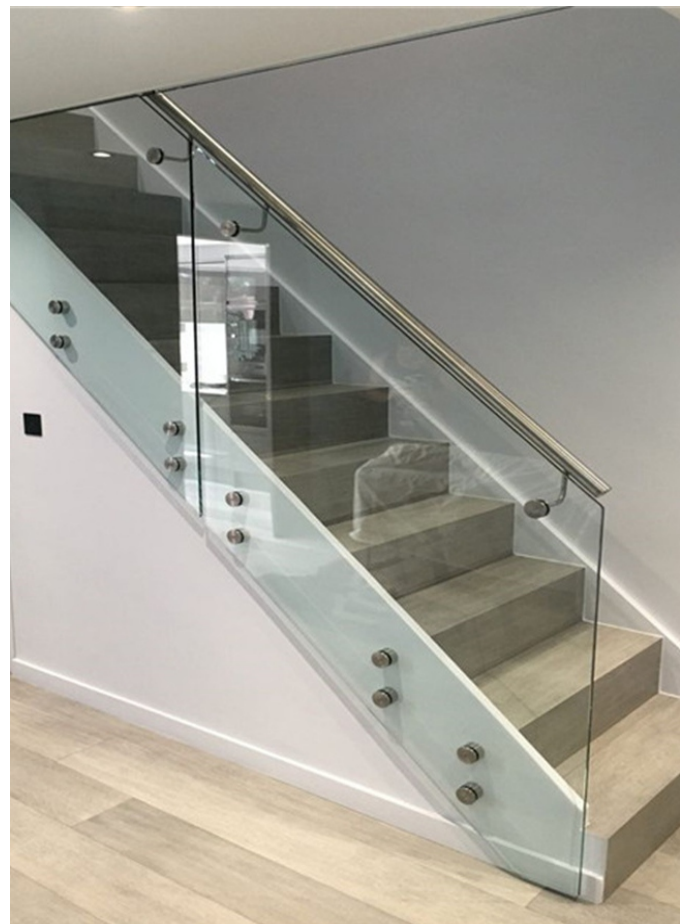

GLASS HIGHLIGHTER

In modern architecture, 'Glass Highlighter' refers to materials visually and/or texturally different from the rest of the surface that is installed into walls.

GLASS RAILINGS

Structure Glazing

Structural Glazing can be simply defined as a continuous system of bonding of specialized glass to an aluminium frame using specialized silicone sealants. While technically any type of glass can be used in structural glazing. The aluminium frames utilized have to obviously be of high-strength nature.

The three types of Structural glazing we offer are : -

- Spider Glazing
- Curtain Wall Glazing
- Semi Unitized Glazing
